

QUALITY POLICY

OLIO Resources Sdn Bhd is committed to meet and exceed our clients' requirements and expectations in delivering quality products and services through:

- Consistently meeting clients' delivery expectations, quality standards and products. Ensuring the effectiveness of our internal processes and continually enhancing our Quality Management System.
- Promoting teamwork, innovation and accountability among employees.

As a responsible corporate entity, we shall ensure adequate resources are deployed to manage and implement the Quality Management System and periodically review our policies to ensure it remains relevant.

Dato' Ramli Md Nor

Group Executive Chairman
